

Winter Clothing Drive

Do you have gently used winter clothing that could use a new home? Share the warmth! The Exeter Parks & Recreation Department is collecting clothing for the community in a partnership project with Wonderland Thrift Shop.

Community clothing needs include coats, boots, scarves, hats, mittens, ski-wear, sweaters, and slippers. Every item will make a difference!

Items may be dropped in the drop box at 32 Court St during the office hours of M-F 8:15am-4:15pm or directly at Wonderland Thrift Shop
